Item 5.01. Changes In Control of Registrant.

The information set forth below under Item 8.01 of this Current Report on Form 8-K is incorporated into this Item 5.01 by reference. As a result of the cancellation of the outstanding shares of our Class B common stock, a change in control of the registrant may have been deemed to occur.

Item 8.01. Other Events.

As has been previously disclosed by the registrant, on November 17, 2017, all outstanding shares of the registrant's Class B common stock were cancelled pursuant to Section 4.05 of the registrant's amended and restated certificate of incorporation. The cancelled Class B shares will revert to the status of authorized but unissued shares of Class B common stock. The 1000 shares of Class B common stock represented non-economic interests in the registrant; were issued in connection with the registrant's initial public offering on November 17, 2011, and have been held by William Manning, the registrant's current chairman and CEO. In addition, due to the Class B share cancellation, the registrant will no longer qualify as a "controlled company" for purposes of certain exemptions from the New York Stock Exchange corporate governance standards.

Notwithstanding the foregoing, the registrant does not view the cancellation of the Class B shares as resulting in a change in control for purposes of the Investment Advisers Act of 1940 or the Investment Company Act of 1940. William Manning continues to privately own approximately 76% of the registrant by virtue of his private ownership of Manning & Napier Group, LLC, and its operating subsidiaries being exchangeable into Class A common stock of the registrant.
