Questions and Answers about the Proxy Materials and the Annual Meeting

When and where is the Annual Meeting?

The Annual Meeting will be held live over the Internet at 9:00 a.m., Eastern Daylight Time, on Wednesday, June 22, 2022, at www.virtualshareholdermeeting.com/MN2022. There will not be an option for stockholders to attend the Annual Meeting in person. A summary overview of the information you need to attend the Annual Meeting over the Internet is provided below:

- All stockholders can attend the Annual Meeting over the Internet at www.virtualshareholdermeeting.com/MN2022;
- Only stockholders as of the record date of April 25, 2022 may vote or submit questions electronically while attending the Annual Meeting (by using the 16-digit control number provided in your Notice);
- Instructions on how to attend the Annual Meeting are posted at www.virtualshareholdermeeting.com/MN2022; and
- A replay of the Annual Meeting will be available over the Internet for approximately 12 months following the date of the Annual Meeting at www.virtualshareholdermeeting.com/MN2022.

Who is soliciting my proxy?

The solicitation of proxies is made by and on behalf of the Board of Directors.

Why was I mailed a notice regarding the Internet availability of proxy materials instead of a full set of printed proxy materials?

Pursuant to the “notice and access” rules adopted by the Securities and Exchange Commission (“SEC”), we have elected to provide stockholders access to our proxy materials over the Internet. Accordingly, we will send a Notice to all of our stockholders as of the record date of April 25, 2022, unless you have previously requested printed copies or email delivery. The Notice includes instructions on how to access our proxy materials over the Internet and how to request a printed copy of our proxy materials. In addition, by following the instructions in the Notice, stockholders may elect to receive proxy materials in printed form by mail or electronically by email on an ongoing basis.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

What matters will be voted upon at the Annual Meeting?

At the Annual Meeting you will be asked to consider and vote upon the following matters:

- Election of six directors to our Board of Directors;
- Ratification of the appointment of PricewaterhouseCoopers LLP (“PwC”) as our independent registered public accounting firm for our fiscal year ending December 31, 2022;
- An advisory vote approving the compensation of our named executive officers; and
- Transaction of such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

What constitutes a quorum?

The presence, either in person or by proxy, of the holders of at least a majority of our issued and outstanding shares of Class A common stock entitled to vote at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. An abstention from voting and broker non-votes, both of which are described in more detail below, are counted as shares present at the Annual Meeting for purposes of determining whether a quorum exists.

Who is entitled to vote?

Only stockholders of record of our Class A common stock at the close of business on Tuesday, April 25, 2022, which is the “record date,” are entitled to notice of, and to vote at, the Annual Meeting. Shares that may be voted include shares that are held: (1) directly by the stockholder of record; and (2) beneficially through a broker, bank or other nominee. Each stockholder is entitled to one vote for each share of Class A common stock held as of close of business on the record date.

As of the record date, there were 19,124,332 shares of our Class A common stock issued and outstanding and entitled to be voted at the Annual Meeting.

What is the difference between holding shares as a “registered owner” compared to holding shares as a “beneficial owner”?

Most of our stockholders hold their shares of Class A common stock through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between holding shares as a registered owner compared to holding shares as a beneficial owner:

- **Registered Owners**—If your shares of Class A common stock are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are the stockholder of record. As the stockholder of record, you have the right to directly grant the Company a proxy to vote on your behalf or to vote in person at the Annual Meeting.
- **Beneficial Owners**—If your shares of Class A common stock are held in a brokerage account, bank or by another nominee, you are the “beneficial owner” of shares held in street name. As the beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote or to vote at the Annual Meeting. However, since you are not a stockholder of record, you may be required to obtain a “legal proxy” from your broker, bank or other nominee (who is the stockholder of record), giving you the right to vote these shares at the Annual Meeting. Follow the instructions you receive from your broker, bank or other nominee.

What stockholder approval is necessary for approval of the proposals?

Directors are elected by the affirmative vote of the holders of a plurality of the shares of Class A common stock present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means the six individuals who receive the most votes will be elected as directors (“Plurality Vote”). While directors are elected by a Plurality Vote, our Board of Directors has adopted a director resignation policy. This policy states that in an uncontested election, any director nominee must tender his or her resignation to the Board of Directors if the director receives a greater number of votes “WITHHELD” from his or her election than votes “FOR” such election (a “Majority Withheld Vote”). See “Corporate Governance – Majority Vote Resignation Policy for Director Elections” for more information. If you withhold the authority to vote for the election of a director nominee, your shares will not be voted with respect to such director nominee(s) indicated but your shares will be counted for purposes of determining whether there is a quorum. Under our director resignation policy, a “WITHHOLD” vote will have a similar effect as a vote against that director nominee. A broker non-vote will not count as a vote for or against this proposal.

Although the Company’s independent registered public accounting firm is selected by the Audit Committee of the Board of Directors, the Audit Committee will consider the outcome of the vote on the ratification of our independent public accounting firm when considering the appointment of PwC as our independent public accountants. A majority of the votes cast at the Annual Meeting (“Majority Vote”) is required to ratify the appointment of PwC as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2022. Votes may be cast FOR the proposal or AGAINST the proposal. A stockholder may also abstain from voting on the proposal. An abstention from voting will not count as a vote for or against the proposal. Since brokers have discretion to vote on this proposal, there will be no broker non-votes related to this proposal.

The advisory vote approving the compensation of our named executive officers requires a Majority Vote. Votes may be cast FOR or AGAINST the proposal. A stockholder may also abstain from voting on the proposal. Abstentions from voting and broker non-votes will not count as a vote for or against the proposal. While our Board of Directors intends to carefully consider the stockholder vote resulting from this proposal, the final vote will not be binding and is advisory in nature.

May I vote my shares of Class A common stock at the Annual Meeting?

If you are the registered owner of shares of Class A common stock as of the record date, you have the right to vote these shares at the Annual Meeting.

If you are the beneficial owner of shares of Class A common stock as of the record date, you may be required to request and receive a legal proxy from your broker, bank or other nominee (the stockholder of record) giving you the right to vote these shares at the Annual Meeting. Follow the instructions you receive from your broker, bank or other nominee.

Even if you plan to attend the Annual Meeting over the Internet, we recommend that you vote before the Annual Meeting so that your vote will be counted if you later decide not to attend the Annual Meeting.

How can I vote my shares of Class A common stock without attending the Annual Meeting?

If you are the registered owner of shares of Class A common stock as of the record date, you may vote over the Internet or, if you received paper copies of our proxy materials, over the Internet or by telephone or by completing, signing, dating and returning a proxy card. Specific instructions for using the Internet and telephone voting systems are on the proxy card. The Internet and telephone voting systems will be available until the start of the Annual Meeting.

If you are the beneficial owner of shares of Class A common stock held in street name as of the record date, you may instruct your broker, bank or other nominee on how to vote your shares, by following the instructions in the materials you received from your broker, bank or other nominee.

What is a broker non-vote?

Generally, a “broker non-vote” occurs when a broker, bank or other nominee that holds shares in “street name” for customers is precluded from exercising voting discretion on a particular proposal because: (1) the beneficial owner has not instructed the nominee how to vote; and (2) the nominee lacks discretionary voting power to vote such shares. Under New York Stock Exchange (“NYSE”) rules, a broker, bank or other nominee does not have discretionary voting power with respect to the approval of “non-routine” matters absent specific voting instructions from the beneficial owners of such shares.

All of the Company’s proposals other than the ratification of PwC as the Company’s independent registered public accounting firm for fiscal year 2022 are non-routine matters and, therefore, shares of our Class A common stock held in “street name” will not be voted with respect to these proposals without voting instructions from the beneficial owners. If you are a beneficial owner, you should follow the instructions provided by your nominee in directing your nominee on how to vote your shares of Class A common stock.

How will my proxy be voted?

Shares of Class A common stock represented by a properly executed proxy (in paper form, by Internet or by telephone) that is received timely, and not subsequently revoked, will be voted at the Annual Meeting and any adjournments or postponements thereof in the manner directed. If you sign the proxy form but do not make specific choices, your proxy will vote your shares: (1) **FOR** the election of the nominees listed in this Proxy Statement as directors of the Company; (2) **FOR** the ratification of PwC as the Company’s independent registered public accounting firm for the 2022 fiscal year; and (3) **FOR** the approval, on an advisory (non-binding) basis, of the compensation paid to our named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K.

If any other matter is presented at the Annual Meeting, your proxy will vote in accordance with his or her best judgment. As of the date of this Proxy Statement, the Company is not aware of other matters to be acted on at the Annual Meeting other than those matters described in this Proxy Statement. If, for any unforeseen reason, any of the director nominees are not available to serve as a director, the named proxy holders will vote your proxy for such other director candidate or candidates as may be nominated by the Board of Directors.

May I revoke my proxy and change my vote?

Yes. You may revoke your proxy and change your vote at any time prior to the vote at the Annual Meeting.

Questions and Answers About the Proxy Materials and the Annual Meeting

If you are the registered owner of shares of Class A common stock as of the record date, you may revoke your proxy and change your vote with respect to those shares by submitting a later-dated proxy, a later-dated vote by telephone or a later-dated vote via the Internet, or by voting at the Annual Meeting. You can also revoke your proxy by giving notice of your revocation to us in writing mailed to the attention of the Corporate Secretary, at our executive offices.

If you are the beneficial owner of shares of Class A common stock held in street name as of the record date, you may revoke your proxy and change your vote with respect to those shares by submitting new voting instructions to your broker, bank or other nominee in accordance with their voting instructions, or voting at the Annual Meeting.

You should be aware that your attendance at the virtual Annual Meeting, without any further action on your part, will not revoke your previously granted proxy.

Who will count the votes?

Our proxy agent, Broadridge Investor Communication Solutions, Inc. ("Broadridge"), will tabulate and certify the votes. A representative of the proxy agent will serve as the inspector of election.

Who will pay the costs of soliciting proxies?

The costs of soliciting proxies pursuant to this Proxy Statement will be borne by the Company. Proxies will be solicited initially by mail. Further solicitation may be made in person or by telephone, electronic mail or facsimile. The Company will bear the expense of preparing, printing and mailing this Proxy Statement and accompanying materials to our stockholders. The Company may also reimburse brokers, banks or other nominees for reasonable expenses incurred in forwarding copies of the proxy materials relating to the Annual Meeting to the beneficial owners of our Class A common stock.

Where can I find the voting results of the Annual Meeting?

The Company will publish final voting results of the Annual Meeting in a Current Report on Form 8-K within four business days after the Annual Meeting.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this Proxy Statement and/or multiple proxy or voting instruction cards. For example, if you hold your shares of Class A common stock in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account. If you are a registered owner of Class A common stock and your shares are registered in more than one name, you will receive more than one proxy card. Please vote each proxy and voting instruction card that you receive.

Proposals to be Voted on at the Annual Meeting

Proposal 1

Election of Directors

The Board of Directors unanimously recommends that stockholders vote FOR each of the director nominees listed herein.

At the Annual Meeting, six directors are to be elected to serve as members of our Board of Directors for a term of one year, until the 2023 Annual Meeting of Stockholders or until their successors are elected and qualified, or their earlier resignation or removal. The six nominees for director are:

Richard S. Goldberg
Barbara Goodstein
Lofton Holder
Kenneth A. Marvald
Marc O. Mayer
Edward J. Pettinella

Our Nominating and Corporate Governance Committee recommended each of Richard S. Goldberg, Barbara Goodstein, Lofton Holder, Kenneth A. Marvald, Marc O. Mayer and Edward J. Pettinella as a nominee for director, and our Board of Directors approved the nomination of each of these director nominees. All of these director nominees are current members of our Board of Directors, and each director nominee has agreed to be named in this Proxy Statement and to serve as a director of the Company if elected. Our Board of Directors believes these director nominees are well qualified and experienced to direct and manage the Company's operations and business affairs and will represent the interests of the stockholders as a whole.

If any director nominee becomes unavailable for election, which is not anticipated, our Board of Directors intends that proxies will be voted for the election of such other person or persons as designated by the Board of Directors as recommended by the Nominating and Corporate Governance Committee, unless the Board of Directors resolves to reduce the number of directors to serve on the Board of Directors and thereby reduce the number of directors to be elected at the Annual Meeting.

There is no cumulative voting for the election of directors.

Number of Directors, Term of Directors and Executive Officers

Our Amended and Restated Bylaws provide that the number of directors to serve on the Board of Directors will not be less than three nor more than 15, with the exact number to be fixed by our Board of Directors. At our Annual Meeting our stockholders elect successors for each director whose term as a member of our Board of Directors has expired. The Board of Directors currently has six directors. The Board of Directors elects members to fill new membership positions and vacancies in unexpired terms on the Board of Directors. Executive officers of the Company are elected by the Board of Directors and hold office until their successors are elected and qualified or until their earlier death, retirement, resignation or removal.

Corporate Governance

Recent Developments

On March 31, 2022, we entered into a definitive agreement to be acquired by an affiliate of Callodine Group, LLC for \$12.85 per share. We believe this proposed transaction creates value for our stockholders while providing significant benefits to all stakeholders. The Annual Meeting does not relate to the proposed transaction. We will hold a separate special meeting of Company stockholders to approve resolutions relating to the proposed transaction.

Board Meetings

The directors hold regular meetings, attend special meetings as required and spend such time on the affairs of the Company as their duties require. Pursuant to the Company's Corporate Governance Guidelines, directors are expected to attend all Board of Directors meetings and meetings of the committees of the Board of Directors on which they serve. During 2021, the Board of Directors held twenty-one meetings. Each director attended at least 75% of the combined total number of meetings of the Board of Directors and each board committee of which he or she was a member.

Attendance of Directors at 2021 Annual Meeting of Stockholders

The Board of Directors encourages all of its members to attend its annual meeting of stockholders. Five of the Company's directors who were serving at the time and one of the Company's director nominees participated in the virtual 2021 annual meeting of stockholders.

Board Committees

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each consisting solely of independent directors. Our Board of Directors has adopted charters for its committees that comply with the NYSE and SEC rules relating to corporate governance matters. Copies of these committee charters can be found under the "Investor Relations—Governance" section of the Company's website at <https://ir.manning-napier.com> and are available to any stockholder upon request in writing to the Company.

Audit Committee Number of Meetings in 2021: Five

Our Audit Committee oversees a broad range of issues surrounding our accounting and financial reporting processes and audits of our financial statements, including performing the following duties:

- monitoring the integrity of our financial statements, our compliance with legal and regulatory requirements, our independent registered public accounting firm's qualifications and independence, and the performance of our internal audit function and independent registered public accounting firm;
- assuming direct responsibility for the appointment, compensation, retention and oversight of the work of any independent registered public accounting firm engaged for the purpose of performing any audit, review or attest services and for dealing directly with any such accounting firm;
- providing a medium for consideration of matters relating to any audit issues; and
- preparing the audit committee report that the rules require be included in our filings with the SEC.

As of the date of this proxy statement, Ms. Goodstein and Messrs. Holder, Marvald and Pettinella serve on the Audit Committee, and Mr. Pettinella serves as its chair. Our Board of Directors has determined that Ms. Goodstein and Messrs. Holder, Marvald and Pettinella each are financially literate and independent under the NYSE listing standards and under Rule 10A-3 of the Exchange Act, and that Mr. Pettinella is an "audit committee financial expert" within the meaning of the applicable rules of the SEC and the NYSE.

Corporate Governance

Compensation Committee Number of Meetings in 2021: Ten

Our Compensation Committee reviews and recommends policies relating to the compensation and benefits of our officers, directors and employees. This includes reviewing and approving corporate goals and objectives relevant to the compensation of our Chief Executive Officer and other senior officers, evaluating the performance of these persons in light of those goals and objectives, and setting compensation of these persons based on such evaluations. The Compensation Committee will review and evaluate, at least annually, the performance of the Compensation Committee and its members, including compliance of the Compensation Committee with its charter. The Compensation Committee may, in its discretion, delegate its authority to its chair or a subcommittee when it deems appropriate and in the best interests of the Company.

As of the date of this proxy statement, Ms. Goodstein and Messrs. Holder, Marvald and Pettinella serve on the Compensation Committee, and Mr. Holder serves as its chair. Our Board of Directors has determined that each of the Compensation Committee members is independent under the NYSE listing standards.

Nominating and Corporate Governance Committee Number of Meetings in 2021: Four

The Nominating and Corporate Governance Committee oversees and assists our Board of Directors in identifying, reviewing and recommending nominees for election as directors, evaluates our Board of Directors and our management succession, develops, reviews and recommends corporate governance guidelines and a corporate code of business conduct and ethics, and generally advises our Board of Directors on corporate governance and related matters.

As of the date of this proxy statement, Ms. Goodstein and Messrs. Holder, Marvald and Pettinella serve on the Nominating and Corporate Governance Committee, and Ms. Goodstein serves as its chair. Our Board of Directors has determined that each of the Nominating and Corporate Governance Committee members is independent under the NYSE listing standards.

Director Independence

Our Board of Directors has determined that Ms. Goodstein and Messrs. Holder, Marvald, and Pettinella are each, or was during the period of their service during 2021, considered to be "independent directors" within the meaning of the NYSE's listing standards and under applicable law. The Company does not have separate criteria for determining independence that differ from the NYSE listing standards.

Our Board of Directors reviews periodically the relationships that each director has with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). A director will be considered independent if the Board of Directors affirmatively determines that he or she has no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) as specified in the listing standards of the NYSE.

Board Leadership Structure

Our Board of Directors and management believe that the choice of whether the Chairman of our Board of Directors should be an executive of the Company or an independent director depends upon a number of factors, taking into account the candidates for the position and the best interests of the Company and its stockholders. Currently, Mr. Mayer is our Chairman and Chief Executive Officer. We believe having Mr. Mayer serve in both of these roles provides a useful bridge between our Board of Directors and management, which facilitates effective communication. With his more than 30 years of experience in the asset management industry, Mr. Mayer is well suited to drive our long-term strategic initiatives as Chairman while focusing management's attention on strategy development, the execution of strategic initiatives, and day-to-day operations and performance of the company in his role as Chief Executive Officer.

When Mr. Mayer was appointed Chairman of the Board of Directors in July 2020, the Nominating and Corporate Governance Committee recommended, and Board of Directors designated, Mr. Pettinella to serve as Lead Independent Director. In this role, the Lead Independent Director serves as a liaison between the Chairman and the other directors. We believe it is important, while the Board has a Chairman that is also our Chief Executive Officer, for the Lead Independent Director to ensure that we are implementing and maintaining strong corporate governance practices. The Lead Independent Director presides over the executive sessions of the Company's

non-management directors, which are held in conjunction with each regular Board of Directors meeting and may be called by the Lead Independent Director as circumstances warrant. The Lead Independent Director also is responsible for collaborating with and supporting each of our standing committees in performing their designated roles for the Board of Directors. The role and responsibilities of our Lead Independent Director are described in our Corporate Governance Guidelines, a copy of which is posted on the Company's website, <https://ir.manning-napier.com>, under "Investor Relations—Governance" and is available to any stockholder in writing upon request to the Company.

Board Evaluations and Process for Selecting Directors

Our annual Board evaluation process focuses on assessments of the Board of Directors at the Board, committee, and individual director levels. During this process, directors identify key skills and characteristics currently present on the Board, which the Nominating and Governance Committee then utilizes as a tool to identify gaps in specific skill sets. The results of the Board evaluations are aggregated by our General Counsel and Nominating & Corporate Governance chair, and reported to the Nominating & Governance Committee and then to our full Board. Our Nominating & Corporate Governance Committee discusses Board succession and reviews potential candidates. When seeking candidates for election and appointment to the Board of Directors, our Nominating and Corporate Governance Committee will consider candidates that possess the integrity, leadership skills and competency required to direct and oversee our management in the best interests of our stockholders, clients, employees, communities we serve and other affected parties. When seeking director candidates, our Nominating & Corporate Governance Committee also considers the competency of the Board of Directors as a whole and has increased its focus on inclusion and diversity of ideas and backgrounds.

Stockholder Nominations

Stockholders may submit candidates for nomination to the Board of Directors in accordance with the procedures set forth in our Amended and Restated Bylaws. There have been no material changes to the procedures by which stockholders may submit candidates for nomination to the Board of Directors since the date of our last proxy statement. The Nominating and Corporate Governance Committee will evaluate candidates recommended by stockholders in the same manner as all other candidates.

To date, no stockholder nominations for director have been made nor have any stockholder recommendations for director been received by the Company.

Majority Vote Resignation Policy for Director Elections

The Company's Bylaws provide that Directors are elected by a Plurality Vote. Although nominees who receive the most votes for the available positions will be duly elected, in October 2020, our Board of Directors adopted a director resignation policy for director nominees who receive a majority of "withheld" votes. This policy is posted on the Company's website, <https://ir.manning-napier.com>, under "Investor Relations—Governance" and is available to any stockholder in writing upon request to the Company. If the election is uncontested (the number of director nominees is not greater than the number of Board seats open for election), after the certification of a stockholder vote in which a director nominee received more "withheld" votes than "for" votes, the director must submit his or her resignation to the Chairman of the Board of Directors within five business days.

Upon receipt of the resignation, the Nominating and Corporate Governance Committee will evaluate the factors it deems relevant to making a recommendation to the Board of Directors regarding the tendered resignation, including:

- the stated reasons why stockholders who withheld votes from the director did so;
- the qualifications of the director, including whether the director's resignation would impact the Company's ability to comply with the requirements of the SEC and NYSE; and
- whether the director's resignation would be in the best interests of the Company and its stockholders.

Directors will not participate in deliberations or determinations relating to matters in which they have an interest. The Nominating and Corporate Governance Committee will make a recommendation to the Board of Directors within 45 days after the stockholder meeting at which the election occurred. The recommendation may include accepting or rejecting the resignation or rejecting the resignation while committing to mitigate or cure the underlying reasons reasonably believed to have resulted in the withheld votes. The Board will consider the recommendation and take formal action no later than 120 days after the stockholder meeting, and the Company will promptly disclose the decision.

Executive Sessions

Executive sessions of the Company's non-management directors are held in conjunction with each regular Board of Directors meeting and may be held at other times as circumstances warrant.

Board's Role in Risk Management Oversight

The Board of Directors oversees the process of risk management which may, from time to time, be delegated to a committee. Members of management at the Company who bear responsibility for the management and assessment of risk regularly communicate with the Board of Directors regarding the Company's risk exposure and its efforts to monitor and mitigate such risks. Even when the oversight of a specific area of risk has been delegated to a committee, the full Board of Directors may maintain oversight over such risks through the receipt of reports provided by the committee to the full Board of Directors. In addition, if a particular risk is material, or where otherwise appropriate, the full Board of Directors may assume oversight over a particular risk, even if the risk was initially overseen by a committee. Our Board of Directors believes that its leadership structure described above facilitates its oversight of risk management because it allows the Board of Directors, working through its committees, to appropriately participate in the oversight of management's actions.

The Company's Audit Committee maintains initial oversight of risks related to the integrity of the Company's financial statements, internal controls over financial reporting and disclosure controls and procedures (including the performance of the Company's internal audit function) and the performance of the Company's independent auditor.

The Company's Compensation Committee maintains initial oversight of risks related to the Company's compensation practices, including practices related to equity incentive programs, other executive or company-wide incentive programs and hiring and retention. The Compensation Committee also reviews the Company's compensation programs periodically for consistency and overall alignment with corporate goals and strategies.

The Company's operating subsidiaries maintain several committees to address risks that the Company has determined to be of material importance to necessitate ongoing monitoring, such as regulatory compliance, litigation, financial reporting, cybersecurity, human resources and vendor management. These committees oversee our cybersecurity risk management program and receive updates on our cybersecurity risk profile. The committees are each comprised of key members of senior management, who meet periodically throughout the year and escalate any material issues to the Company's Board of Directors when appropriate.

Communications with the Board of Directors

Stockholders and all other interested parties may communicate with the Board of Directors, committees of the Board of Directors, and the independent or non-management directors, each as a group, and individual directors by submitting their communications in writing to the attention of the Company's Corporate Secretary. All communications must identify the recipient(s), author, and state whether the author is a stockholder of the Company, and may be forwarded to the following address:

Manning & Napier, Inc.
290 Woodcliff Drive
Fairport, New York 14450
Attn: Corporate Secretary

Our Board of Directors has directed the Corporate Secretary not to forward to the intended recipient any communications that are reasonably determined in good faith by the Corporate Secretary to relate to improper or irrelevant topics or are substantially incomplete.

Corporate Governance Guidelines

We believe that good corporate governance helps to ensure that the Company is managed for the long-term benefit of our stockholders, and we continually review and consider our corporate governance policies and practices, the SEC's corporate governance rules and regulations, and the corporate governance listing standards of the NYSE, the stock exchange on which our Class A common stock is traded.

Our Board of Directors has adopted Corporate Governance Guidelines, which guide the Board of Directors in the performance of its responsibilities to serve the best interests of the Company and its stockholders, a copy of which is posted on the Company's website, <https://ir.manning-napier.com>, under "Investor Relations—Governance" and is available to any stockholder in writing upon request to the Company.

Code of Business Conduct and Ethics

Our Board of Directors has adopted a Code of Business Conduct and Ethics that applies to all of the Company's directors, officers and employees. The purpose and role of this code is to focus our directors, officers and employees on areas of ethical risk, provide guidance to help them recognize and deal with ethical issues, provide mechanisms to report unethical or unlawful conduct, and help enhance and formalize our culture of integrity, honesty and accountability. We intend to disclose within four business days any amendment to, or waiver of, a provision of our Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions and that relates to any element of the Code of Business Conduct and Ethics, by posting that information on the Company's website. Our Code of Business Conduct and Ethics is posted on the Company's website, <https://ir.manning-napier.com>, under "Investor Relations—Governance" and is available to any stockholder in writing upon request to the Company.

Hedging Policies

Our Board of Directors has adopted an Insider Trading and Confidentiality Policy Statement that applies to all of the Company's directors, officers and employees. The purpose of this policy, in addition to addressing the treatment of material non-public information, is to make clear that the Company considers it improper and inappropriate for its officers, directors and employees to engage in short-term or speculative transactions in the Company's Class A common stock and transactions designed to offset any decrease in the market value of our stock. Our policy prohibits our directors, officers and employees from engaging in the following transactions:

- trading in options on or short sales of our Class A common stock;
- puts, calls or other derivative securities of our Class A common stock;
- hedging transactions;
- holding our Class A common stock in a margin account as collateral for a margin loan; and
- pledging shares of our Class A common stock as collateral for a loan.

Our Insider Trading and Confidentiality Policy Statement is posted on the Company's website, <https://ir.manning-napier.com>, under "Investor Relations—Governance" and is available to any stockholder in writing upon request to the Company.

Narrative to the Summary Compensation Table

Overview. Our compensation programs for our named executive officers are designed to meet the following objectives:

- support our business strategy;
- attract, motivate and retain top-tier professionals within the investment management industry by rewarding past performance and encouraging future contributions to achieve our strategic goals and enhance stockholder value;
- link total compensation to individual, team and Company performance on both a short-term and a long-term basis;
- align our named executive officers' interests with those of our stockholders; and
- be flexible enough so we can respond to changing economic conditions.

Our compensation programs for our named executive officers provide opportunities, predominantly contingent upon performance, which we believe have assisted our ability to attract and retain highly qualified professionals. In the past we have used a combination of cash compensation programs and equity participation. As a result of the expiration of our 2011 Equity Compensation Plan (our "2011 Plan") in November 2021, we will only be able to use cash compensation programs in the future. We periodically evaluate the success of our programs in achieving these objectives and we expect that some of our policies and practices may change in order to enable us to better achieve these objectives.

Annual Salary. Our Compensation Committee reviews the annual salaries of our named executive officers. Base salaries are intended to provide our named executive officers with a degree of financial certainty and stability that does not depend on our performance. We consider it a baseline compensation level that delivers some current cash income to these executives. In conjunction with the amendment of Mr. Mayer's employment agreement on December 31, 2020, the Compensation Committee determined to increase the amount of Mr. Mayer's base salary from \$500,000 to \$600,000 for the year ending December 31, 2021. With the exception of Mr. Mayer, no changes were made to the annual base salaries of our named executive officers for 2021.

CEO Scorecard Approach. In 2021, our Compensation Committee moved to the use of a structured scorecard to evaluate the performance of Mr. Mayer as CEO and to determine his incentive compensation. The scorecard is designed to align Mr. Mayer's compensation with the Company's performance and the interests of our stockholders and clients. In the fourth quarter of 2020, the Compensation Committee established the CEO's target incentive compensation opportunity and also set the scorecard performance measures and weightings. In setting the target incentive amounts and determining the final amounts to be paid based on performance, the Compensation Committee considers a number of wholistic factors based on feedback from our independent compensation consultant and comparison to industry peers. In the fourth quarter of 2020, the Compensation Committee determined that Mr. Mayer's target annual incentive would be \$2.4 million for the year ending December 31, 2021, which within the context of expected performance, may be subject to an upward or downward adjustment of approximately 25% at the Compensation Committee's discretion.

The performance categories, weightings and measures used in the 2021 scorecard were the following:

- Investment Performance (20% weighting). Deliver excellent investment results for clients measured on one-year and three-year investment performance relative to benchmarks;
- Financial Results (20% weighting). Deliver strong financial results for stockholders based on our one-year relative results for net client cash flows, operating margins, EBITDA, and economic net income; and
- Strategic Initiatives (60% weighting). Achieve long-term value and success for clients and stockholders via strategic initiatives including: finalizing wealth management sales strategy changes, completing structural enhancements to our institutional and intermediary sales teams, improving overall distribution productivity, completing digital transformation and other operational model changes, and improving employee morale, diversity and inclusion, succession planning and key personnel initiatives.

Annual Bonus. Cash incentive compensation is a key part of the overall annual compensation for Messrs. Mayer and Battaglia. A portion of the cash bonus that Mr. Mayer earned, and Mr. Battaglia's entire cash bonus for 2021 was discretionary and based on the completion of agreed upon individual goals during the year.

Based on his individual performance for 2021 and achievement of, or significant progress on, various strategic initiatives and the Compensation Committee's discretion, Mr. Mayer earned a bonus of \$1,640,000, of which \$1,028,417 was paid in cash and \$611,583 was deferred under our Deferred Incentive Compensation Program subject to his continued employment.

Based on his individual performance for 2021, Mr. Battaglia earned a bonus of \$430,000, of which \$319,500 was paid in cash and \$110,500 was deferred under our Deferred Incentive Compensation Program subject to his continued employment.

We implemented our Deferred Incentive Compensation Program on January 1, 2021. Under such program, a portion of a covered employee's cash incentive compensation in excess of certain thresholds is deferred and paid in the form of an award under our 2018 Long-

Term Incentive Plan (our “2018 Plan”), which is invested in units of the Manning & Napier Fund, Inc. The percentage of an employee’s cash incentive compensation that is deferred is based on the aggregate amount of cash incentive compensation for the year, and ranges from 15% on the first \$100,000 of cash incentive compensation up to 40% on cash incentive compensation in excess of \$500,000. The awards under the program vest over three years, provided that the employee remains employed with us through the end of the first year. Upon vesting, the employee receives the value of the vested portion in cash or in the units in which the award is invested.

Equity Based Compensation. Our 2011 Plan permitted the grant or issuance of a variety of equity awards of both Manning & Napier, Inc. and of Manning & Napier Group, LLC (“Manning & Napier Group”). In determining the equity awards to be granted to our named executive officers, we have taken into account the following factors:

- the value of such awards;
- the named executive officer’s level of current and potential job responsibility; and
- our desire to retain the named executive officer over the long term.

In 2021, Mr. Mayer received an equity award of 163,339 restricted stock units (“RSUs”) issued under our 2011 Plan based on fiscal 2020 performance that will convert to shares of our Class A common stock on a one-for-one basis. The RSUs are subject to time vesting, with 40,849 vesting on each of February 1, 2023, February 1, 2024 and February 1, 2025, and 40,852 vesting on February 1, 2026.

In 2021, Mr. Busheri received an equity award of 74,104 RSUs issued under our 2011 Plan based on fiscal 2020 performance that will convert to shares of our Class A common stock on a one-for-one basis. The RSUs are subject to time vesting, with 24,702 vesting on December 31, 2021, 24,702 vesting on December 31, 2022, and 24,700 vesting on December 31, 2023.

In 2021, Mr. Battaglia received an equity award of 32,680 RSUs issued under our 2011 Plan based on fiscal 2020 performance that will convert to shares of our Class A common stock on a one-for-one basis. The RSUs are subject to time vesting, with 8,170 vesting on each of February 1, 2023, February 1, 2024 and February 1, 2025, and February 1, 2026.

Our 2011 Plan expired in November 2021. Therefore, we no longer have an incentive plan that allows for the grant of future equity awards.

Non-Equity Incentive Plan Compensation. Cash incentive compensation is a key part of the overall annual compensation for Messrs. Mayer and Busheri. Under the terms of Mr. Mayer’s 2021 CEO scorecard, the amount of his 2021 non-equity incentive compensation was based on our investment performance and financial results. Mr. Mayer earned non-equity incentive compensation of \$760,000 for 2021, of which \$476,583 was paid in cash and \$283,417 was deferred under our Deferred Incentive Compensation Program subject to his continued employment.

The 2021 non-equity incentive compensation for Mr. Busheri was based on the investment returns of the Company’s assets under management over the one-, three- and five-year time horizons. Mr. Busheri earned non-equity incentive compensation of \$2,184,586 for 2021, of which \$1,375,751 was paid in cash and \$808,835 was deferred under our Deferred Incentive Compensation Program subject to his continued employment.

Retirement Benefits. We maintain a contributory defined contribution retirement plan for all employees, and match up to 50% of each employee’s contributions, not to exceed 3.5% of their total compensation during the years ended December 31, 2021 and 2020, (other than catch-up contributions by employees age 50 and older) up to an annual limitation as determined by the IRS. In addition, we may make an annual discretionary profit sharing contribution, subject to certain limitations.

Employment Agreements

Mr. Mayer. We entered into an employment agreement with Mr. Mayer on January 30, 2019, which was subsequently amended on December 31, 2020. Pursuant to his employment agreement, upon Mr. Mayer’s employment and appointment as Chief Executive Officer on January 30, 2019, he was granted under the 2011 Plan a total of 375,000 RSUs (the “Sign-On RSUs”) and options to purchase up to 3,500,000 shares of our Class A common stock at an exercise price of \$2.01 per share. The Sign-On RSUs converted to shares of our Class A common stock on a one-for-one basis. The option to purchase up to 500,000 shares of our Class A common stock is subject to time vesting (the “TSOs”). One-third of the TSOs vested on each of January 1, 2020, January 1, 2021, and January 1, 2022. The option to purchase up to 3,000,000 shares of our Class A common stock is subject to the achievement of specified performance-vesting criteria (the “PSOs”) and vests in installments only if the closing price per share of our Class A common stock as reported on the New York Stock Exchange exceeds a certain threshold for 20 consecutive days prior to the specified date. As of December 31, 2021, all of the 3,000,000 PSOs had vested. For additional information on the performance-vesting criteria, see the “Outstanding Equity Awards at Fiscal Year End” table below.

On December 31, 2020, we entered into an amendment to the employment agreement with Mr. Mayer. Pursuant to the amended employment agreement, in the fourth quarter of each year, the Compensation Committee and Mr. Mayer will negotiate in good faith to

Executive Compensation

determine Mr. Mayer's target annual incentive amount for the following year. This process is in effect for target annual incentive amounts in 2021 and all later years. The Committee determined that Mr. Mayer's target annual incentive would be \$2.4 million for the year ending December 31, 2021, which within the context of expected performance, may be subject to an upward or downward adjustment of approximately 25% in the Committee's discretion. In addition, the amended employment agreement provides for up to 40% of Mr. Mayer's cash incentive compensation to be deferred under our Deferred Incentive Compensation Program and paid in the form of an award under our 2018 Plan.

Pursuant to Mr. Mayer's employment agreement, if his employment is terminated due to his death or disability, and subject to certain restrictions, his estate or he will be eligible to receive: (1) his base salary, reimbursement of expenses and other benefits to which he would be entitled through the termination date; (2) immediate vesting of any unvested Sign-On RSUs; and (3) a pro rata portion of the target annual cash bonus in the year his employment is terminated. If Mr. Mayer is terminated without cause or resigns with good reason, he will be eligible to receive the compensation discussed above in addition to an aggregate of \$5 million in severance payments paid over the two-year period following the termination or resignation, provided he executes and does not revoke a general release and waiver of all claims. If Mr. Mayer's employment is terminated due to his disability, then for the period of time during which his disability continues, he may continue to participate in certain of the employee benefit plans in which he participated immediately prior to his removal.

In addition, if Mr. Mayer is terminated without cause or resigns for good reason after January 1, 2020 and a change in control occurs within 12 months, the Company will pay Mr. Mayer the cash equivalent of the number of TSOs that would have vested had he remained employed through the date of the change in control multiplied by the excess of the value of a share of our Class A common stock in the change in control transaction over the exercise price of the TSOs.

If Mr. Mayer is terminated for cause or Mr. Mayer resigns without good reason, he will be eligible to receive his base salary, reimbursement of expenses and other benefits to which he would be entitled through the termination date, and he will forfeit his unvested Sign-On RSUs, TSOs and PSOs and any unpaid annual cash bonuses.

Pursuant to Mr. Mayer's employment agreement, during and for a two-year period following termination of employment: (1) Mr. Mayer may not, without the written consent of the Company, directly or indirectly (a) persuade or encourage, or attempt to do so, any customer, client, or affiliate of the Company or an affiliate to cease doing business with the Company or an affiliate or to compete with the Company or an affiliate, or (b) solely with respect to clients or customers for whom the Company or an affiliate is a provider of investment management services with respect to 50% or more of the client's or customer's assets under management, do business with such customer, client or affiliate; (2) Mr. Mayer may not compete with the Company in the territories served, or contemplated to be entered by, the Company or its affiliates; and (3) Mr. Mayer may not, without the written consent of the Company, directly or indirectly employ or contract any person who then is or has been an employee of or consultant to the Company or its affiliates within one year prior to such date of termination and with whom Mr. Mayer has material contact. Mr. Mayer must also forever hold in a fiduciary capacity for our benefit all secret and confidential information obtained by him and may not, without the written consent of the Company or as required by law, disclose such information to anyone other than the Company and those designate by the Company.

Messrs. Battaglia and Busheri. During 2021, Manning & Napier Advisors was party to agreements with each of Messrs. Battaglia and Busheri, which provide for at-will employment for each of them. While these agreements do not provide compensation terms or duration of employment, such agreements include restrictive covenants concerning competition with us and solicitation of our employees and clients. Pursuant to such agreements, for an eighteen-month period following termination of employment, the former employee may not solicit, persuade or encourage any of our customers, partners, affiliates, suppliers or vendors to cease doing business with us or our affiliates, to compete with us or our affiliates, or to do business with any competitor of us or our affiliates. The former employee may not, for an eighteen-month period following termination of employment and without written consent of Manning & Napier Advisors, solicit, recruit, hire or engage any employee of Manning & Napier Advisors or its affiliates with whom the former employee had material contact during the former employee's employment with Manning & Napier Advisors. Pursuant to his employment terms, Mr. Battaglia is entitled to severance payments of up to one year's base salary plus 50% of his annual target bonus, as well as continuation of medical benefits for up to one year.

For a discussion of the Compensation Committee's role and responsibility, see "Corporate Governance-Board Committees-Compensation Committee" included earlier in this Proxy Statement. Our Chief Executive Officer and Chairman also works with the Compensation Committee and the Board of Directors to set the compensation of the named executive officers other than themselves. Role of Independent Compensation Consultant

Our Compensation Committee is responsible for determining the compensation of our named executive officers. During 2021, Aon/McLagan provided the Compensation Committee with information about the competitive market for senior management in the investment management and financial services industries and compensation trends in those industries generally. Aon/McLagan provides guidance and assistance to the Compensation Committee as it makes its compensation decisions, either directly to the full Compensation Committee or through conversations with the Committee's chairman. Aon/McLagan has not provided any services to the Company other than those it provided to the Compensation Committee in its role as independent consultant. We, from time to time, will review our relationship with Aon/McLagan and reaffirm its appointment as our independent consultant.

Shares issuable pursuant to stock options are deemed outstanding for computing the percentage of the person holding such options but are not outstanding for computing the percentage of any other person. Proposal 2

Ratification of Independent Registered Public Accounting Firm

The Board of Directors unanimously recommends that stockholders vote FOR the ratification of the appointment of PwC as the company's independent registered public accounting firm for the fiscal year ending December 31, 2022.

The Audit Committee has appointed PwC as the Company's independent registered public accounting firm to audit the consolidated financial statements of the Company for our fiscal year ending December 31, 2022. Stockholders are being asked to ratify the action of the Audit Committee.

PwC has been our independent auditor since 2007, and no relationship exists other than the usual relationship between an auditor and its client. Representatives of PwC are expected to be present at the Annual Meeting to respond to appropriate questions by stockholders and will have the opportunity to make a statement if the representatives desire to do so.

If our stockholders do not ratify the appointment of PwC at the Annual Meeting, the Audit Committee may, but is not required to, reconsider whether to retain PwC. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the 2022 fiscal year if it determines that such a change would be in the best interests of the Company and its stockholders.

Fees Paid to Independent Registered Public Accounting Firm

The following table sets forth the aggregate fees for professional services rendered by the Company's independent registered public accounting firm, PricewaterhouseCoopers, LLP ("PwC"), in each of the last two years.

Fee Category	Year Ended December 31,	
	2021	2020
Audit Fees (1)	\$ 1,347,140	\$ 1,304,811
Audit-Related Fees (2)	2,300	2,200
Tax Fees	—	—
All Other Fees (3)	373,900	116,400
Total Fees (4)	\$ 1,723,340	\$ 1,423,411

- (1) Audit fees consist of fees and expenses for professional services provided in connection with the annual audit of our consolidated financial statements, services that an independent registered public accounting firm would customarily provide in connection with subsidiary audits, and the annual audits of the financial statements of the Exeter Trust Company collective investment trusts.
- (2) Audit-related fees consist of fees for the performance of audits and attest services not required by statute or regulations.
- (3) In 2021, as part of the Company's digital transformation initiative, PwC provided assistance to the Company related to assessments and implementation of processes. The Audit Committee will annually review and pre-approve the audit and non-audit services to be provided during the next audit cycle by the independent registered public accounting firm. The Audit Committee may also designate a member of management to monitor the performance of all services provided by the independent registered public accounting firm and report his or her findings to the Audit Committee.

Advisory Vote on Executive Compensation

The Board of Directors, upon the recommendation of the compensation committee, unanimously recommends that stockholders vote, on an advisory basis, FOR the approval of the compensation of the company's named executive officers.

In accordance with Section 14A of the Exchange Act, we are providing our stockholders with an opportunity to vote on an advisory resolution to approve the executive compensation of our named executive officers. Accordingly, stockholders will vote on approval of the following resolution at the 2022 Annual Meeting:

RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers as disclosed in the proxy statement for the Annual Meeting pursuant to Item 402 of Regulation S-K, including the compensation tables and the related narrative disclosure.

Our compensation programs for our named executive officers are designed to meet our objectives of supporting our business strategy, attracting, motivating and retaining top-tier professionals within the investment management industry, linking total compensation to individual, team and Company performance on both a short-term and a long-term basis, aligning our named executive officers' interests with those of our stockholders, and being flexible enough to respond to changing economic conditions. We provide a combination of the following elements of compensation to our named executive officers: (1) base salary; (2) annual bonus; (3) equity-based and other forms of long-term incentive compensation; (4) retirement benefits; and (5) limited benefits and perquisites.

While our Board of Directors and Compensation Committee intend to carefully consider the outcome of the vote resulting from this proposal, the final vote will not be binding on the Company and is advisory in nature.

We have determined that our stockholders should cast an advisory vote on the compensation of our named executive officers on an annual basis. Unless this policy changes, the next advisory vote on the compensation of our named executive officers will be at the 2023 annual meeting of stockholders.

Certain Relationships and Related Party Transactions

Policies and Procedures Regarding Transactions with Related Persons

Pursuant to our written policy, Transactions with Related Persons Policies and Procedures, our Audit Committee is generally required to review and approve or disapprove of the Company entering into certain transactions with related persons. The policy contains descriptions of certain transactions which are pre-approved transactions. The policy only applies to transactions, arrangements and relationships where the aggregate amount involved could reasonably be expected to exceed \$120,000 in any calendar year and in which a related person has a direct or indirect interest. A related person is: (1) any of our directors, nominees for director or executive officers; (2) any immediate family member of any of our directors, nominees for director or executive officers; and (3) any person, and his or her immediate family members, or entity, including affiliates, that was a beneficial owner of 5% or more of any of our outstanding equity securities at the time the transaction occurred or existed.

The policy provides that if advance approval of a transaction subject to the policy is not obtained, it must be promptly submitted to the Audit Committee for possible ratification, approval, amendment, termination or rescission. In reviewing any transaction, the Audit Committee will take into account, among other factors the Audit Committee deems appropriate, recommendations from senior management, whether the transaction is on terms no less favorable than terms generally available to a third party in similar circumstances and the extent of the related person's interest in the transaction. Any related person transaction must be conducted at arm's length. Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote on the approval or ratification of the transaction. However, such a director may be counted in determining the presence of a quorum at a meeting of the Audit Committee that considers the transaction.

A copy of our Transactions with Related Persons Policies and Procedures is available on our website, <https://ir.manning-napier.com>, under "Investor Relations—Governance" and is available to any stockholder in writing upon request to the Company.

Related Party Transactions

The following is a summary of material provisions of various transactions we entered into or that were ongoing with our executive officers, directors or 5% or greater stockholders during the years ended December 31, 2021 and 2020.

Transactions with Non-Controlling Members

From time to time, the Company may be asked to provide certain services, including accounting, legal and other administrative functions for the noncontrolling members of Manning & Napier Group. While immaterial, the Company has not received any reimbursement for such services.

The Company manages the personal funds and funds of affiliated entities of certain of the Company's executive officers and directors. Pursuant to the respective investment management agreements, in some instances the Company waives or reduces its regular advisory fees for these accounts. The aggregate value of the fees earned was less than \$0.1 million for the years ended December 31, 2021 and 2020. No fees were waived in the years ended December 31, 2021 and 2020.

Affiliated Fund Transactions

The Company earns investment advisory fees, distribution fees and administrative service fees under agreements with affiliated mutual funds and collective investment trusts. Fees earned for advisory and distribution services were approximately \$42.7 million and \$36.5 million in the years ended December 31, 2022 and 2021, respectively. Fees earned for administrative services provided were approximately \$1.1 million and \$1.7 million for the years ended December 31, 2022 and 2021, respectively. See Note 3 to the consolidated financial statements included in our Annual Report on Form 10-K for disclosure of amounts due from affiliated mutual funds and collective investment trusts.

Certain Relationships and Related Party Transactions

The Company incurs certain expenses on behalf of the collective investment trusts and has contractually agreed to limit its fees and reimburse expenses to limit operating expenses incurred by certain affiliated fund series. The aggregate value of fees waived and expenses reimbursed to, or incurred for, affiliated mutual funds and collective investment trusts was approximately \$2.1 million and \$4.3 million for the years ended December 31, 2022 and 2021, respectively.

During the year ended December 31, 2020, the Company received approximately \$1.4 million in cash for reimbursement of prior expenses paid on behalf of our affiliated mutual funds and collective investment trusts. These expenses were reimbursable to the Company under an agreement with the affiliated mutual fund and collective investments trusts upon the settlement of a claim between both the affiliated mutual funds and the collective investment trusts and a third party. As of December 31, 2019, the Company had recorded a receivable of approximately \$0.2 million within other long-term assets on its consolidated statement of financial condition. The remaining \$1.2 million of proceeds received was recognized as a gain within other operating costs in its consolidated statements of operations during the year ended December 31, 2020.

Exchange Agreement

In November 2011, we entered into an exchange agreement with M&N Group Holdings, MNCC and the other direct holders of units of Manning & Napier Group (the "Exchange Agreement"). As March 31, 2022, a total of 428,812 units of Manning & Napier Group were held by M&N Group Holdings. Pursuant to the terms of the Exchange Agreement entered into at the time of the Company's initial public offering, such units may be tendered for exchange or redemption. For any units exchanged, the Company may: (i) pay an amount of cash equal to the number of tendered units multiplied by the value of one share of the Company's Class A common stock less a market discount and expected expenses; or, at the Company's election, (ii) issue shares of the Company's Class A common stock on a one-for-one basis, subject to customary adjustments. As the Company receives units of Manning & Napier Group that are exchanged, or as Manning & Napier Group units are redeemed and retired, the Company's ownership of Manning & Napier Group will increase.

On March 15, 2021, the Company received notice that 1,592,969 of Class A units of Manning & Napier Group were tendered for redemption or exchange. The independent directors, on behalf of the Company, decided that such exchange would be settled in 1,592,969 shares of unregistered Class A common stock of the Company. The Company completed the exchange on June 30, 2021 and as a result, Manning & Napier acquired an equivalent number of Class A units of Manning & Napier Group and its ownership of Manning & Napier Group increased from 89.0% to 97.7%.

On March 15, 2020, a total of 60,012,419 Class A units, including 59,957,419 units held by William Manning, who was previously the Chairman of the Company's Board of Directors, were tendered for either cash or shares of the Company's Class A common stock pursuant to the exchange process. The independent directors, on behalf of the Company as managing member of Manning & Napier Group, decided to settle the transaction as a redemption, utilizing approximately \$90.8 million in cash, including approximately \$90.7 million paid to Mr. Manning.

The Exchange Agreement described above is filed as an exhibit to our 2011 Annual Report on Form 10-K, and the foregoing description is qualified by reference thereto.

Registration Rights Agreement

In November 2011, we entered into a registration rights agreement with the holders of units of Manning & Napier Group, pursuant to which the shares of Class A common stock issued upon exchanges of their units, if any, will be eligible for resale, subject to certain limitations set forth therein.

We have agreed in the registration rights agreement to indemnify the participating holders, solely in their capacity as selling stockholders, against any losses or damages resulting from or relating to any untrue statement, or omission, of any material fact contained in any registration statement, prospectus or any amendments or supplements thereto pursuant to which they may sell the shares of our Class A common stock that they receive upon exchange of their units, except to the extent such liability arose from information furnished by the selling stockholder used in a shelf registration statement, and the participating holders have agreed to indemnify us against all losses caused by their misstatements or omissions of a material fact relating to them. No selling stockholder shall be liable to the Company for an amount in excess of the amount received by such selling stockholder in the offering giving rise to such liability.

We will pay all expenses incident to our performance of, or compliance with, any registration or marketing of securities pursuant to the registration rights agreement. The selling stockholders will pay their respective portions of all underwriting discounts, commissions and transfer taxes relating to the sale of their shares of our Class A common stock pursuant to the registration rights agreement.

The registration rights agreement described above is filed as an exhibit to our 2011 Annual Report on Form 10-K, and the foregoing description is qualified by reference thereto.

Tax Receivable Agreement

In November 2011, we entered into a tax receivable agreement with the other holders of units of Manning & Napier Group, pursuant to which we are required to pay to the holders of such units 85% of the applicable cash savings, if any, in U.S. federal, state, local and foreign income tax that we actually realize, or are deemed to realize in certain circumstances, as a result of any step-up in tax basis in Manning & Napier Group's assets resulting from: (i) certain tax attributes of their units sold to us or exchanged (for shares of Class A common stock) and that are created as a result of the sales or exchanges and payments under the tax receivable agreement; and (ii) tax benefits related to imputed interest. Payments pursuant to the tax receivable agreement totaled approximately \$3.5 million and \$0.3 million during the years ended December 31, 2021 and 2020, respectively, none of whom are related persons. Payments pursuant to the tax receivable agreement to Mr. Goldberg were less than \$120,000 in each of the years ended December 31, 2021 and 2020.

The tax receivable agreement described above is filed as an exhibit to our 2011 Annual Report on Form 10-K, and the foregoing description is qualified by reference thereto.
